**Once certified, a production or handling operation's organic certification continues in effect until surrendered, suspended or revoked. All producers' organic operations are reviewed and inspected annually.** Please contact VOF if you have any questions concerning a producer's certification status.

Vermont Organic Farmers, upon providing this certification, states that they have received the certified producer's application materials, reviewed its records, inspected its fields and/or facilities and has determined that the products identified above are certified to the USDA organic regulations, 7 CFR Part 205.
